

## A Guide to Psychopathology

This pathfinder for abnormal psychology is based on resources that can be found in the Michigan Theological Seminary Library. This guide is intended to assist the researcher in initial research in the area of abnormal psychology. The MTS Library can assist you in your research in biblical, theological and psychological studies. Please visit the library during open hours or contact the library staff at (734) 207-9581 x-323 for further assistance.
